## LISBOA *Series*

This new designed series embodies the essence of Gaucho style. It includes a versatile ensemble comprising a stylish sideboard, a tv-sideboard, a solid 2-door cabinet, along with an open bookcase with charming double doors. All crafted from recycled teak, each piece features meticulously handmade carved grooves by skilled craftsmen, resulting in a rugged, yet refined appearance. The intentional irregularities in the design add a touch of rustic allure, while the gentle curvature on the sides create a subtle elegance, reminiscent of a graceful bow between the legs. Completing the look with robust iron handles, adds a sturdy sophistication to these exceptional pieces. Elevate your project with this fusion of craftsmanship and great design!

## MENDOZA *Series*

A brandnew cabinet series that redefines elegance and functionality. This adaptable series comprises a low-profile TV sideboard with convenient drawers, a functional combination of doors and drawers in a separate dresser, along with an open bookcase with three additional drawers. All pieces are assembled from pine wood, showcasing design lines that seamlessly integrate into any interior. The soft grey finish imparts a calm organized and sophisticated atmosphere. Allowing space for bolder styling statements elsewhere.

## THE STORY OF

*Damchiya*

This intricately crafted piece is destined for the bride's new home with her husband. Traditionally used to store precious linens and gifts, it is adorned with exquisite woodwork, charming ornaments, and small mirrors that reflect joy and celebration. Standing tall on its legs, it safeguards cherished items. But there is more to it than what meets the eye – hidden compartments concealing secrets of gold and silver, a testament to the dreams and aspirations of a new life together. The Damchiya is more than a cabinet, it is a vessel of tradition, love, and the promise of a shared journey.
