Create outdoors, *Unlike any other*

New season, new collection.

Every day, we travel the world in search of new treasures and hidden gems. As we gear up for the upcoming outdoor season, we are thrilled to unveil a selection of exciting new arrivals. This spring, teak wood takes the spotlight as the key material in some of our fresh outdoor series. Whether you are in need of an outdoor table for your restaurant or seeking lounge furniture for your customers gardenhouse, our latest additions are designed to elevate your outdoor designs giving extra flair.

Beyond the new collection, we also present our timeless bestsellers. These are the go-to items, each with its unique touch, ready to bring immediate ambiance and visual delight. They are a must-have to infuse personality into your upcoming outdoor projects. Evergreens that are guaranteed to sell, unlike any other.

Stay tuned for a season of outdoor wonders!

You can purchase our collection easily and 24/7 online in our webshop.

Timeless elegance

Our outdoor furniture collection showcases the beauty of Perhutani teak. Do you know that teakwood is renowned for its natural durability, making it an ideal choice for outdoor settings. Its rich golden look weathers gracefully over time, adding character to each piece. Embrace the timeless elegance and eco-friendly charm of our teakwood creations for a stylish and sustainable outdoor sanctuary.
